

PUTNAMVILLE POST VISITED BY SUPT. ZEIS

LT. TAGUE IS COMMENDED
BY INDIANA STATE POLICE HEAD

State Police Supt. Harold S. Zeis yesterday participated in the regular inspection of Putnamville district and discussed future plans to combat crime and traffic problems.

Marion H. Tague, Lieutenant, commanding officer of the District, was commended by Colonel Zeis for "excellence in maintaining personnel, records, buildings and grounds in accordance with the high standards required by the department." He also expressed his appreciation of the manner in which the officers and men are accepting new responsibilities.

"We must plan today to meet tomorrow's spiraling traffic," the State Police officer told the group. "More cars and more drivers demands greater effort by each of us if this year's improved record is to be extended." He urged that every effort be exerted to encourage citizens to accept a personal responsibility for street and highway accident prevention.

Night patrols by troopers, Colonel Zeis said, have been instrumental in reducing criminal activities in rural and suburban areas. "Check" cards left by state policemen on nighttime duty are being received with favor by citizens, he said.

Colonel Zeis is touring the 24 State Police installations. The inspections are being conducted by Colonel Zeis, Staff Captain Mark Nelson, Field Captain Cecil Melvin and Lieutenant Charles O. Williams.

'56 Grad Heads Purdue Alumni

David Lee Grimes of Fillmore, a 1956 graduate of Purdue University was elected president of a newly formed Putnam County Chapter of Purdue Agricultural Alumni in an organization meeting held last night at Old Trail Inn.

It was revealed that there are at the present 115 Purdue Agricultural and Short Course Alumni residing in Putnam County. At the organization meeting, presided over by Mauri Williamson, Field Secretary of the Purdue Agricultural Association, fourteen men were in attendance.

Other officers chosen included Norman Evans, vice president, Kenneth Torr secretary-treasurer and Morris McGaughey and Eddie Burroff as directors. Others in attendance were Jack Torr, Paul Carrington, Kenneth Miller, Harley Sutherland, Rudolph Fordice, Maurice Fordice, Gerald Clodfelter, K. W. Harris and Don Osborn a transferred Missourian.

A first activity in the form of a dinner meeting for Purdue Ag. Alumni and their wives was planned for January 27 at Old Trail Inn. At this meeting the officers and directors will outline a proposed year's program including not more than three other activities.

As an entertainment feature Mr. Williamson showed a color film of the Purdue Michigan State football game, starring All-American fullback prospect, Bob Jarus and a half-time performance by Purdue's now famous "Golden Girl."

Reds Stall On Test Ban Talks

GENEVA UPI—The Soviets appeared to be stalling in the nuclear test ban talks here in hopes of forcing Secretary of State John Foster Dulles to come here and try to break the apparently hopeless deadlock. Western diplomats said today.

The Russians pressed strongly for a meeting of Dulles, British Foreign Secretary Selwyn Lloyd and Soviet Foreign Minister Andrei Gromyko to discuss nuclear arms but the United States and Britain refused on the ground that other officials should first work out some preliminary agreement.

Miss Cooper Dies, Funeral Sunday

Miss Cathryn Carolyn Cooper, youngest daughter of Mrs. Nellie Cooper and the late Marion E. Cooper, passed away Friday morning at the Putnam County hospital.

Miss Cooper attended the city schools and graduated from the Greencastle high school and DePauw University, where she was a member of the Delta Zeta sorority. She served as secretary to Harold Robbins, treasurer of DePauw, for several years. She later went to Indianapolis where she was employed as a secretary for the Gulf Oil Co., and later transferred to their Houston, Texas, office, returning to Greencastle in 1947 following the death of her brother.

She is survived by the mother, one sister, Mary Frances. Her father, a brother, Marion, and a sister, Ruth, preceded her in death.

Funeral services will be held Sunday afternoon at 2 o'clock from the Rector Funeral Home with Dr. Frank Travis in charge. Interment will be in Forest Hill cemetery.

Friends may call at the funeral home.

Ike Promises To Cut U. S. Spending

WASHINGTON (UPI)—President Eisenhower today faced the first big test of his post-election promise to whack federal spending wherever possible.

He scheduled an early morning conference with Budget Director Maurice Stans and Veterans Administrator Sumner Whittier on the veterans benefits section of the federal budget which he will present to the new Congress in January.

After spending the morning on this and other conferences, the President planned to leave by plane for Toledo, Ohio, where he will be the overnight guest of former Treasury Secretary George M. Humphrey at an exclusive duck-hunting club on Lake Erie. Veterans benefits are one of the big spending items in the federal budget—slightly more than five billion dollars this year. They also are one of the "sacred cows" of the budget—an item that politicians of both parties tremble to rare.

HOOSIER APPOINTED

WASHINGTON (UPI)—Walter A. Edwards, 45, Chicago, a native of Logansport, Ind., and a graduate of Indiana University, today was appointed deputy assistant secretary of commerce for domestic affairs.

Edwards severed his connection with Owens-Illinois Glass Co., of Toledo to take the \$15,300 government post. He has been the firm's Washington representative for five years.

MOON ROCKET BLAST-OFF SET FOR TOMORROW

AIR FORCE WORKS FEVERISHLY TO LAUNCH
SPACE MISSILE

CAPE CANAVERAL, Fla. (UPI)—The Air Force worked under mounting tension today to prepare its third moon rocket for another launching attempt early Saturday.

Officials declined to elaborate on the "technical difficulties" that forced postponement of the first attempt at 12:34 a. m. EST today. The trouble could have been caused by any one of thousands of parts or by loss of contact with a tracking station.

The postponement, which came only 48 minutes before the scheduled firing time at 1:22 a. m. meant that the launch team would have to start almost from the beginning in the countdown check-list, a 94-page document that includes 1,100 items.

It also appeared that the Cape would lose its distinguished visitor of today, Queen Frederika of Greece, who displayed a keen interest in science during a visit to Chicago Thursday, was to watch the shot from a vantage point on the Cape.

But the Air Force said after the postponement that the Queen and her daughter, Princess Sophia, were scheduled to leave soon after dawn today.

A new system of cutting off the second stage engine of the rocket will be used this time to avoid the difficulty that caused the second moon rocket to fall far short of the lunar sphere.

Instead of the "accelerometer" built into the earlier vehicles, the second stage engine of the third rocket will be cut off by radio signals from a ground station when a computer figures the rocket has achieved the proper angle of light at the desired speed.

The last rocket was robbed of the extra kick needed because the first stage Thor missile climbed too high before veering out toward the moon. The new system was designed to assure that the second stage engine does not cut off before the necessary speed and angle of flight have been attained.

There was no doubt that the Air Force was ready to fire the 88-foot, four-stage rocket right down to the moment that the difficulties developed. Liquid oxygen streamed from a vent in the side of the rocket, a sure sign that blastoff was near, and searchlights illuminated the telescope-shaped rocket on its launching stand.

After this shot, the Air Force will give way to the Army, which has two authorized lunar probes. The first Army shot is expected early in December.

COMEDIAN HURT

HOLLYWOOD UPI—Comedian Jack Paar took an unexpected spill on a trick chair and had to leave his nationally televised show Thursday night.

The game performer tried to carry on the tradition of the "show must go on" but he finally gave way to pain in his left arm and made an exit 40 minutes after his hour and 45 minute show began. His injury was not serious and it was believed no bones were broken.

Death Summons Nellie F. Howard

Mrs. Nellie Florence Howard died at her home in Roachdale Friday morning after an illness of several years. She was born in Hendricks County, the daughter of Joseph and Anna Akers Wilson, and was united in marriage to Jesse Howard of Roachdale on June 15, 1910, at Coatesville.

Mrs. Howard was a member of the Nazarene Church of Roachdale and is survived by the husband, two daughters, Mrs. Gladys Simpson and Mrs. Helen Simpson, both of Roachdale; a sister, Mrs. Vera Waldon of Fincastle, six grandchildren and two great grandchildren, in addition to several nieces and nephews.

The funeral services will be held Sunday afternoon at two o'clock from the Nazarene Church in Roachdale. Friends may call at the Chastain-Perkins Funeral Home.

Woman Linked With Slaying

PERU, Ind. (UPI)—Police said today a man found dead in a muddy ditch near Peru Thursday may have been the victim of a robbery and murder involving a woman.

A rhinestone bracelet and two footprints from a woman's shoe were found near the body of Samuel McLaughlin, 56, Wolcottville. His wallet was missing.

Dr. Owen Johnson, Miami County coroner, said an autopsy showed that death was not from natural causes. Tests were being made to determine if McLaughlin was poisoned.

Johnson said the body was found by a passing motorist about half an hour after death and it was apparent that it had been dumped in the ditch.

McLaughlin, a free-lance photographer, was reported by his niece to have been carrying about \$300 and a tan suitcase, and was wearing a wrist watch and a grey topcoat. Police said all the items were missing.

PAROLED BOY FLEES

SOUTH BEND, Ind. (UPI)—Douglas Lee Alwin, 17, Mishawaka, a parolee from Indiana Boys School, escaped Thursday by bolting from a probation officer at the St. Joseph County Courthouse where he was being taken for commitment to the school.

SAVED FROM ICE FLOE

ANCHORAGE, Alaska UPI—Twenty men stranded since Sunday on an ice floe in the Arctic Ocean were removed safely early today by a C123J plane from Thule, Greenland.

All were reported in good condition following the rescue operation carried out in 20 degree below zero weather about 960 miles northeast of Point Barrow, Alaska.

Ford Motor Plant Is Strikebound

INDIANAPOLIS (UPI)—About 1,700 United Auto Workers at the Ford Motor Co. plant here went on strikes today in what pickets called a "wildcat" walkout over terms of a new contract.

Tom Logan, president of UAW Local 1111, said the strikers were told their walkout was unauthorized and that the union would not back them.

Last Rites Held For Ex-Resident

Friends here received word today of the death October 29th of Mrs. Jessie Neff Morris at the home of her daughter, Mrs. John George in Golden, Colorado. Funeral and burial were in Terre Haute last Saturday. Death resulted from complications following a broken hip suffered early in September.

Mrs. Morris will be remembered by the older residents of Greencastle as the daughter of Mr. and Mrs. Willis G. Neff. Mr. Neff was a former postmaster of Greencastle. Mrs. Morris and her husband, the late George Morris, were both educated in the local schools and DePauw University. Mr. Morris who died several years ago, was the son of the Rev. A. H. Morris pastor of the local Christian Church at the time the present edifice was erected.

Mrs. Morris' married life was spent in Terre Haute and two or three years ago she removed to Golden to live with her only daughter, Margaret. The son-in-law, being a member of the faculty of the Colorado School of Mining.

Below Freezing Weather Prevails

Temperatures fell to new season's lows over Indiana today as a killing frost coated the countryside.

Below-freezing readings were consistent from Lake Michigan to the Ohio River. It apparently was the first time this season that below-freezing temperatures prevailed in all sections.

Lafayette's low of 22 probably was the coldest reading in the state this season. Fort Wayne and Indianapolis recorded 25; South Bend, Terre Haute and Evansville 26, the Cincinnati area 28, and the Louisville area 30.

The chill pattern was due to moderate slightly, and sunny weather of the last few days was expected to dissolve in cloudiness paving the way for light showers Saturday night and probably again Monday or Tuesday.

SWIMMING POOL CAMPAIGN GETS GOOD RESPONSE

FUNDS FOR COMMUNITY
PROJECT NEARING THE
\$20,000 LEVEL

The community swimming pool fund is continuing to grow with the addition of one or more shares from 45 individuals and business firms during the past two days.

Nearing the \$20,000 level, the fund has been rising steadily despite the fact that a large number of potential givers have not yet been contacted.

Campaign Directors John Long, Al Stanley and Frank McKenna are strongly urging all solicitors to complete their calls as soon as possible.

According to the directors, the next report meeting will be held Wednesday night, Nov. 12, between the hours of 7 and 8 in the lobby of DePauw's Student Union.

Among the new contributors of at least one share toward the swimming pool are Woodrow E. Sutherland, Lawrence A. Riggs, Frank Sanders, Harold Scholl, Leo Proctor, B. F. Handy, Harold E. Hickman, Kenneth Bennett, Dale Covert, Murray Lewis, J. W. Gough, and John S. Moore.

Also Rex Rector, G. Hans Grueninger, Norman J. Knights, Harry L. Hawkins, Charles Hymer, Elizabeth M. Ward, Ray H. French, Conrad Hilberry, the Rev. Robert Gingery, Delbert Lewis, Van Denman Thompson, Robert E. Crouch (in memory of Jack Crouch), Maurice Kersey, L. W. Crump, Arthur Zaring, Fred Cispar, Aaron Craft, Cecil Justus, Dr. Gerald C. Elliott, Col. Lee Lowdermilk, Donald Gobert, Clarence Cromer, Vera Burk, Harold Surber, Lloyd Zachery, Russell K. Baker, Forst Fuller, Edgar Prevo, Harold Cronkrite, J. Russell Myers, Virgil R. Deem, Leland Liston and Ronald Jones.

Soviet And Arab Arms Deal Seen

JERUSALEM, Israel (UPI)—Israeli sources said today the Cairo-Moscow campaign accusing Israel of planning to attack Jordan may be part of a plan to announce a new arms deal between Russia and the United Arab Republic.

The recent Soviet-Arab charges have increased tension in the Middle East and Thursday Israeli tanks and artillery duelled with Syrian artillery for more than four hours across the border until the United Nations imposed an uneasy cease fire.

No casualties were reported in the Lake Huleh reclamation area in northern Israel where Syrian resentment at the Israeli project has touched off a series of similar clashes in the past. Each side blamed the other for the shooting.

CONTINUE SUSPENSION

WASHINGTON (UPI)—President Eisenhower announced today that the United States is continuing suspension of H-bomb tests "for the time being" despite the fact that the Russians have set off at least two blasts since the Oct. 31 deadline.

FLY TO SOUTH POLE

McMURDO SOUND, Antarctic UPI—A fleet of U. S. Air Force Globemaster transport planes flew to the South Pole today on a massive airdrop mission that some observers believe emphasized U. S. intentions of maintaining a permanent antarctic base.

The Navy's Operation Deep Freeze will end when the International Geophysical Year runs out Dec. 31, and new U. S. antarctic research program will take over.

Two Attending Chicago Session

Two DePauw professors are in Chicago today for the ninth annual conference on premedical and medical education, sponsored by the University of Illinois college of medicine.

Representing the local university are Dr. Kenneth Waggoner, head of the department of psychology, and Dr. Howard Burkett, professor of chemistry. Principal speakers will be Dr. William V. Whitehorn, professor of physiology at the University of Illinois college of medicine, and Dr. Richard H. Young, dean of the Northwestern University medical school.

Pledges To Meet Ike "Half-Way"

WASHINGTON (UPI)—Senate Democratic Leader Lyndon B. Johnson pledged today that the new Democratic Congress will meet President Eisenhower "at least halfway" in making the next two years a period of "constructive" achievement.

In his first major speech since the Democrats won a landslide victory at the polls Tuesday, he said America is entering "an age of expansion" and cannot afford to have its political machinery paralyzed by "partisan warfare" from now until 1960.

He outlined a 12-point program of "major issues" facing the 86th Congress and promised that the top-heavy Democratic majorities in the House and Senate will tackle these problems with a "sober realization of the responsibilities that go with victory."

Mrs. Brown Loses California Race

WASHINGTON UPI—The granddaughter of William Jennings Bryan was counted out in the last minute in a see-saw California house race today, ending chances that women would make record-breaking inroads in the new Congress.

Mrs. Rudd Brown, Democratic candidate in California's 21st District, trailed by about 7,500 votes in her contest with incumbent Republican, Rep. Edgar Hiestand.

Until this morning, it was believed that Mrs. Brown had won but an error by Los Angeles County election officials in posting 1,000 votes brought Hiestand surging ahead.

The wife of a famed nuclear physicist, the daughter of a congressman and ambassador as well as the granddaughter of the three-time unsuccessful Democratic presidential nominee, Mrs. Brown believed she was the winner until the error came to light. Had Mrs. Brown won, there would have been a record number of 18 congresswomen in the new House and Senate.

Even so, the voters definitely sent a tie-setting number of women to the new Congress—16 women House members and veteran Sen. Margaret Chase Smith R-Maine, whose seat was not at stake in Tuesday's balloting. This will match the previous high of 17 congresswomen set in the 1954 balloting.

DEMO VICTORY MEANS CHANGES IN HOOSIERDOM

10 STATE OFFICES TO BE
IN HANDS OF THE
DEMOCRATS

INDIANAPOLIS (UPI)—The fact that Governor Handley stays in the Indiana Statehouse for two more years, keeping it firmly in Republican control through 1960, probably misleadingly overshadowed the big Democratic gains made in last Tuesday's elections.

Though Handley stays in office, the political complexion of the elective officers who spend time in the Statehouse undergoes an abrupt change, starting within less than four weeks.

Today, the GOP holds every one of the 20 elective offices.

Next year, the Democrats will have taken over 10 of them leaving the Republicans with an equal number.

Republicans keep the offices of governor, lieutenant governor, attorney general, and courts reporter, and Democrats take over the offices of secretary of state, treasurer, auditor, school superintendent and courts clerk.

In addition, the Democrats replace four Appellate Court judges, taking a 4-2 political margin over the GOP in the currently all-Republican court, and take over one of the five Supreme Court seats, currently all-Republican.

Then there's the matter of legislative control. In winning 23 of the 50 Senate seats, barely short of control, and 79 of the 100 House seats, the Democrats switched the Republican margin in the Legislature from 108 to 41, the current makeup, to 102 to 48 in favor of the Democrats.

Combine those totals with the new Democratic 8-3 margin in the Hoosier delegation in Congress, reversing the current 9-2 Republican margin, and the new 1-1 U. S. Senate ratio, compared with the current 2-0 Republican, and you get 121 Democratic and 62 Republican officeholders as of next year compared with 139 Republican and 43 Democratic at present.

On a Statehouse level, the full effect of the Democratic triumph perhaps will not be known until 1959.

By winning the office of secretary of state with the election of former congressman John Walsh of Anderson to succeed Republican Frank Lenning of Bloomfield, the Democrats take over control of the 1960 election machinery in most counties through appointment of inspector for precinct election boards. The inspector is top man on the local board totem pole.

Under a traditional rule, the Democrats also would appoint lucrative auto license bureau managers when Walsh takes office. However, in 1952 then Gov. George N. Craig assumed distribution of the bureau patronage although a fellow Republican Crawford F. Parker, was secretary of state.

Previous to that, Democrat Henry F. Schrieker left bureau patronage in the hands of the Republicans in 1941 when he became governor and James M. Tucker was secretary of state.

The fact that Handley will be in office Dec. 1 when Walsh becomes secretary of state creates the same situation that existed in the Schrieker-Tucker case in 1941.

With Democrats serving as state treasurer and state auditor

all in one car!

EXCLUSIVELY YOURS—WIDE-TRACK WHEELS

The wheels moved out 5 inches for the widest, steadiest stance in America—better cooling for engine and brakes—lower center of gravity for better grip on the road, safer cornering, smoother ride. You get the most beautiful road-ability you've ever known—in America's Number 1 Road Car!

You get the solid quality of Body by Fisher.

You name it—Pontiac has it...the year's most important advances in style, safety, handling and performance. And they're topped by a Pontiac exclusive...Wide-Track Wheels! Everything about this new kind of car was designed to give you driving as you've never known it: Air-Cooled True-Contour Brakes for precise, unvarying control in stop after stop after stop...spacious vista-lounge interiors with seats wider than a sofa and full circle visibility (the Vista-Panoramic windshield curves clear up into the roof).

And there are two great new engines to choose from—the Tempest 420 for the ultimate in V-8 action and response...and its money-saving companion, the Tempest 420E, a big muscular V-8 that uses regular gas and delivers better mileage than many smaller cars with so-called "economy engines". Styling?—the newest, lowest look on the road—protected by Magic-Mirror non-fade finish. There's much more—come see for yourself—all the wonderful new ideas in America's Number One Road Car!

PONTIAC! America's Number 1 Road Car!

12 Students On Debate Squad

Twelve men and women have been named to DePauw University's varsity debate squad for 1958-59 by Dr. Robert O. Weiss, director of forensics.

Heading the list are two seniors — Samuel McFarlane, Aurora, Ill., and Randall Ripley, LaGrange, Ill.; both four-year veterans of intercollegiate debate competition.

Juniors include Thelma Price, Whiting; R. Joe Noble, Elwood; Robert Nagy, Loris, O.; Russell Pelton, Riverside, Ill.; Albert Moore, Independence, Mo.; and

Emily Morris, Westfield, N. J. Completing the squad are sophomores Mary Ellen Cortner, Winchester; William Wickens, Lorain, O.; Richard Patterson, Dayton, O.; and Julia Heston, Albion, Michigan.

Dr. Weiss also has selected 12 novice debaters, who include Don Daseke, Crawfordsville; Jerry Frost, New Castle; Richard

Geier, Evansville; Virginia Peterson, Delphi; Jane Stubbs, Shelbyville; and Susanne Smith, Logansport.

Other novice squad members are Janet Allen, Springfield, O.; Lynda Bayliff, Delaware, O.; Graham Bryce and Suzanne Matthews, both of Albion, Mich.; and Stephen Ewing and Lee Ross, both of Nashville, Tenn.

THANKS

To the voters of Putnam County for their support in the November 4th election.

Our Homecoming will be Sunday, November 16. The Rev. Frank E. Davidson will bring us the morning message. During the day, we will commemorate the 50 years of preaching by Rev. Davidson, whose first sermon was given in our church. At the noon hour, there will be a pitch-in dinner for everyone. The afternoon meeting will start approximately at 1:30. Rev. Doyle Mullin, from West Lafayette, also a former pastor, will be the Master of ceremonies during the afternoon meeting.
We are still ahead in our "Race Through Space." Our Sunday School attendance has dropped considerably, so the only thing saving us from losing, is our high church attendance. Remember—we need both a high Sunday School and Church attendance to win! Y'all come!

Panthers Defeat Coal City, 38-36

Belle Union's Panthers opened their net campaign Thursday night and defeated Coal City, 38 to 36, in a game played in the Eminence gym.

Belle Union led all the way but had a scare in the final quarter when John Simmons suffered a sprained ankle and Williams got a bloody nose. Coach Bob Collins was forced to keep his two regulars out of the lineup for four minutes and Coal City almost caught up with the Panthers.

Tragedy Affects Town's Economy

SPRINGHILL, Nova Scotia — UPI—The earthquake-like shock that shattered the gas-filled Cumberland Collier No. 2 two weeks ago and sealed 74 victims in its depths appears also to have sealed the economic fate of this small mining community.

With each passing day it becomes more unlikely that Springhill ever will recover from Black Thursday, Oct. 23, 1958, when 174 men were trapped more than 13,000 feet from the pithead of North America's deepest coal mine. Only 100 came out alive, 19 of them after spending up to nine days of harrowing helplessness before rescuers almost miraculously found them.

Twice before Springhill has rebounded from mine disasters. In 1891, 125 miners died. Two years ago this month, a subterranean rockfall took 39 lives.

But always before, the droughty Springhill miners have gone back to work in the mines of the Cumberland Railway and Coal Company. Unless they left town, they had little choice, for Springhill is a one-industry town—mining. All its 5,000 residents depend, directly or indirectly, on the mine which sinks deep below the Cobequid Hills of eastern Nova Scotia.

Court Dismisses Negro Lawsuit

JACKSON, Miss. (UPI) — A three-judge federal panel Thursday dismissed an NAACP-financed lawsuit charging Negroes are barred from the polls in Mississippi because of their race and upheld the constitutionality of the state's new registration requirements.

In a strong "states' rights" decision, the court said the new educational requirements are not too rigid in this day of mass education and are "a legitimate exercise by the state of its sovereign right to prescribe and enforce the qualifications of voters."

The court also held that such lawsuits cannot be brought under the 1957 federal Civil Rights Law which the NAACP said gave it the right to go directly into Federal Court before exhausting state remedies.

Plaintiff in the suit was the Rev. H. D. Darby, a Prentiss Negro minister, who charged he was

Tigers To Host Favored Butler

Ready and willing, at least, DePauw will tackle heavily-favored Butler in an Indiana Collegiate Conference finale here Saturday afternoon.

The "able" part of the quote is less predictable, primarily because DePauw Coach Bob Hicks will be sending a young and inexperienced squad against the ICC's league-leading eleven.

In seven games the host Tigers have managed to record only a single victory, beating Indiana State, 16-14, and Butler has achieved opposite results by winning six of seven.

A victory over DePauw will give the Bulldogs undisputed claim to the conference championship, a laurel which they last grabbed in 1953.

If, on the other hand, the Tigers pull off one of the season's major upsets, Butler will be forced to share the title with at least one and perhaps two other clubs.

Butler has a 4-1 conference record, and Ball State, Evansville and St. Joseph's all are 3-2. On Saturday St. Joe will play at Evansville, and Ball State will be at home to Indiana State.

DePauw also has lost a veteran for the remainder of the campaign, with senior quarterback Terry Himan crippled in last Saturday's 20-6 loss to undefeated Rochester.

Handling the signal-calling duties for the Bengals will be a pair of sophomores—John Rubush and Jim DeArmond.

Two other sophomores—halfback Dave Clifford and fullback Charles Colin—and a senior seeking his first varsity letter, Bob Godwin, will complete the Tigers' quartet of backs.

Butler has not lost a football game to DePauw since 1926, when the Tigers took a 21-10 decision, and the string of consecutive Bulldog victories stands at 13.

SANCTIFY HORSE
TOKYO UPI—First Frost, the dapple grey horse which used to be Crown Prince Akihito's favorite mount, is to be called out of retirement to be sanctified, it was disclosed today. The horse will be given to the Ise Grand Shrine dedicated to the legendary sun goddess, to replace the shrine's sacred horse which died last year.

ATTACK ROCK 'N' ROLL
BERLIN UPI—The East German Communists accused NATO Thursday night of using an American rock 'n' roll band to influence West German youth towards militarism. The East German news service ADN carried an open letter from Communist artists urging West German artists to defend the German national cultural heritage against the influence of NATO's philosophy and culture.

POLLED HIGH VOTE
WASHINGTON UPI — Democrats polled roughly 55 per cent of the vote outside the South in winning their landslide victory in Tuesday's elections, the count showed today.
That figure gave Republican leaders some idea of the job ahead in their effort to reverse the political trend before the presidential election of 1960.
Democratic National Chairman Paul M. Butler was expected to report preliminary findings from the post mortem research in his headquarters at a news conference today.

ARMY BUYS DOGS
WASHINGTON UPI—The Army has decided to buy 1,000 German shepherd dogs for sentinal duty at Nike anti-aircraft sites.

The dogs must be 22 to 28 inches high at the shoulder. They will be trained at Lackland Air Force Base, San Antonio, Texas.

NEW SMOG ALERT
LOS ANGELES UPI—A pall of smog hung over Los Angeles Thursday and caused the fifth smog alert of the year. Another alert was expected today.
The eye-irritating dirty air had been accumulating in the Los Angeles basin for the past several days because of a high pressure system that acted like a lid and prevented air pollutants from rising.

PREP GRIDDER DIES
CLEBURNE, Tex. (UPI) — Another high school football player has died during a game in Texas.
Ronnie Kirkpatrick, 15, full-back for the Cleburne High School "B" team, collapsed after playing only on offense, at the end of the first quarter in a game here Thursday night.

Another high school player died earlier this week in a game at Phillips, Texas.
Kirkpatrick returned to the bench on a platoon change, sat down, and suddenly slumped over. An ambulance was called, but the boy was dead on arrival at Johnson County Memorial Hospital.
Kirkpatrick carried the ball only once during the game, and appeared to have taken no hard blows.
